

# Writing Process

# WRITING PROCESS

**Prewrite**

**Revise**

**Publish**

**Draft**

**Edit**

# PREWRITING

- Read instructions carefully.
- Brainstorm ideas.
- Think about the number of paragraphs.
- Organize your ideas.

# DRAFTING

- **Start writing your ideas.**
- Read aloud so you can hear your own ideas.
- Re-think your ideas.
- Ask a classmate to read or listen your draft.
- Organize your ideas.
- Listen to your classmate's opinion

# REVISING

- **Improve your writing.**
- Try writing new sentences. Compare and choose the best ones.
- Delete unnecessary information
- Add linkers, adjectives, and adverbs where necessary.
- Read the instructions again. Check you are doing what was asked.
- Ask the teacher to help you.

# EDITING

- **Correction time!**
- Check spelling.
- Check grammar.
- Check punctuation.
- Check capital letters usage
- Check word order.
- Ask a classmate to read your work.
- Ask the teacher to guide you.

# PUBLISHING

- **Write your final draft**
- Make a clean copy (paper or digital)
- Think of a title if applicable.
- **Share** your writing.
